Basaveshwar Primary CBSE School is a day school, affiliated to Central Board of Secondary Education, New Delhi. The school is focusing on the holistic development of the students in its campus. Education without morality is meaningless. So we try to impart value based education to our students.

The School was established on 13th June 2013, as a prestigious institute of S.A.V.V.P Samiti, a pioneer organization dedicated to the noble cause of imparting education and social service. The school is located in the serene environment of lush green Campus, with modern

amenities and facilities. Personal attention, focus on academic improvement, remedial measures for low achievers are some of the special features of the school.

In 2014, we celebrated the centenary of SAVVP Samiti. The Basaveshwar proposed CBSE School emerged as dream child of His Holiness Shri Muppina Basavalinga Mahaswamiji . The seers, Mahaswamijis who have taken immense interest in the Educational cause and made efforts to bring striking changes in the educational scenario of this part of the district, are born once in ages.

From the Principal's desk.....

As I walk down the hallways of the school every day, I can hear the chatter of eager minds, the shout of excitement from victorious athletics, the thump of the dancing feet and the sound of melodious voice harmonizing .

Education is not preparation for Life; Education is Life itself. Education is right, not a privilege. Educating children no matter where they come from is one the biggest step we can take towards ending extreme poverty. We assume to make all students rich with knowledge and wisdom. There are two types of education. One should teach us how to make a living and the other how to live. In either of the types we prefer to make best even better.

Your dreams are our goals. We strive to be better each day for your children in their overall development .Gandhi's craft centric vision is our mission. We aim to make our students sharper, stronger and fitter to the changing world.

We ensure that with the blessings of His Holiness Shri Ma Ni Pra Muppina Basavalinga Mahaswamiji, encouragement of the school management, support of the parents, commitment of the staff and efforts from the students, the school will reach greater heights . We will keep our heads high and work for better results with conviction and courage.

Computer Department :

Our School has a well furnished computer laboratory with sufficient number of computers. Information Technology is a compulsory component of the curriculum which will help students assess the impact of new technologies on society and train them to use these productively.

Art :

Art is taught to all the students as it provides a means for personal expression and the articulation of ideas. The children are trained in line drawing, free hand drawing, colour schemes, shading etc.

In addition to the regular physical exercises and games in schools we arrange sports events to develop the spirit among the students.

CCA (Co-curricular Activities) :

A number of Co-Curricular activities are planned and conducted in the school to bring out the innate talents of the children and help in their all round personality development.
